

Inspecta Sertifiointi Oy has granted a product certificate to

Alistron AS

Mäealuse 10 B, 12618 Tallinn
ESTONIA

to certify that Inspecta Sertifiointi Oy has verified that the manufacturing quality assurance of the following products fulfils the requirements set in the requirement documents **by 50:2004, TR 15:2007**

Precast concrete elements

Place of manufacture: Tallinn, Estonia

The company is entitled to use the certification mark on products fulfilling the requirements.
The certificate holder is responsible for ensuring that the products comply with the requirements.

The certificate is issued on 2012-08-27

Anne Qvintus, Managing Director

The certificate is based on initial inspection and on testing carried out by the manufacturer.
The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met. The validity of the certificate can be checked on the Internet at www.inspecta.fi
